

MMoCA Weddings

Let world-class modern and contemporary art serve as the backdrop to a day unlike any other. The Madison Museum of Contemporary Art is pleased to present its stunning architectural spaces for wedding ceremonies, receptions, engagement parties, rehearsal dinners, and other private event rentals. Our sophisticated spaces provide the ideal spot for couples to express their creativity, originality and style.

The MMoCA rooftop sculpture garden offers clients the opportunity to host private, outdoor events three stories above the busy State Street pedestrian mall, featuring bird's eye views of Madison's vibrant downtown, colorful plantings, and large-scale outdoor sculptures.

The museum's lobby provides a prominent setting for cocktail hours and receptions, boasting black granite floors, a dramatic glass staircase, and high visibility to the sidewalk and surroundings. Located adjacent to the lobby, a 230-seat lecture hall offers couples a warm, dry space to use for wedding ceremonies during cooler months or in case of inclement weather.
