REDISCOVERED TREASURES & ART SALE

The Rediscovered Treasures & Art Sale takes place each November at the MMoCA Art & Gift Fair, a **fundraiser for the Madison Museum of Contemporary Art**. This popular sale is akin to an estate or rummage sale, but with a focus on art, collectibles and home décor. **Your donation of even a single item can easily generate \$5-\$100 or more in support for the museum.** All proceeds from the sale benefit MMoCA's free year-round exhibitions and education programs.
