WEDDINGS AT MMOCA

The Madison Museum of Contemporary Art, located in the heart of downtown along the lively State Street pedestrian mall, is one of the most sophisticated spaces in Madison, which makes it the ideal spot for wedding ceremonies, receptions, engagement parties, rehearsal dinners, post-wedding brunches, and other celebrations.

Couples are welcome to use the Rooftop Sculpture Garden, Lobby, and Lecture Hall as weather and event needs dictate.

MMoCA’s Weddings Package includes all museum fees, including security staffing, custodial costs, and vendor load-in/load-out assistance. The Weddings Package also includes use of the space for a ceremony rehearsal prior to the event and use of the museum’s classroom as a staging/dressing area on the day of the event (available most dates).

In addition to the weddings package, couples hosting a wedding at MMoCA must become MMoCA members at the $250 Langer Society level. This membership may be given as a gift if the couple is not in the Madison area.

FRESCO
From preparation to presentation, Fresco takes pride in serving unique petite bites, small plate buffets, family-style and sit-down dinners that are artfully prepared and taste delicious.

Fresco facilitates any additional rental needs, such as AV equipment, tables, pop-up tents and linens, and Fresco managers can serve as a “day-of coordinator.” See the Fresco catering guide for set-up fees and frequently rented items.

Couples may make arrangements to use the Fresco dining room and third floor lounge in addition to MMoCA’s spaces with a food and beverage minimum (amount varies on the day of the week and the season).
HOURS
Ceremony-only events are a 2-hour rental and must conclude no later than 2:30 pm on Saturdays during peak months. More flexibility is available on Fridays and Sundays and in the off-season.

Ceremony and Reception or Reception-only events can start at 5 pm. To start at 4 pm, there is an additional $100 fee.

The Sculpture Garden is closed to the public two hours before event start time to allow time for set-up. Earlier set-up is possible with prior approval. The rain call is made three hours before the event start time, or when the first vendor arrives. All events must end by 11 pm.
