

picturing freedom

A woman's face, with wavy hair and a crown, is the main subject in Ed Paschke's print, *Libertad*. Libertad means "freedom" in the Spanish language.

Ed Paschke chose an image of an ancient goddess for his picture.

Ed Paschke, *Libertad*, from *Wisconsin Sesquicentennial Portfolio*, 2001. Bleed Print, 22 x 30 inches. Collection of the Madison Museum of Contemporary Art. Gift of Thomas Victor Jackson.
