MMoCA
MADISON MUSEUM OF CONTEMPORARY ART

GUIDED TOURS | BUS PARKING AND DIRECTIONS

Drop-off Location

School bus drivers delivering students to the Madison Museum of Contemporary Art (MMoCA) should **park temporarily on the right side of North Henry Street**. North Henry Street is behind the museum and the Overture Center for the Arts. Students should disembark and walk around the corner to MMoCA's main entrance at 227 State Street.

School Bus Parking

The bus driver will need to move the bus to another location for the duration of the tour. MMoCA is not permitted to use meters or bag meters for school buses. **Suggestions for school bus parking** from Madison's parking division include Law Park, which is along John Nolan Drive east of Monona Terrace; and Olin Park and the Alliant Energy Center, which are south of the city along John Nolan Drive.
